# About Us

In 2009, Medixsoft Company was established with the aim of assisting clients in the education and healthcare sectors to enhance performance, navigate complex regulations, reduce costs, recover from distress, leverage technology, and drive growth. Our company works closely with clients to deliver sustainable and measurable results. We serve a diverse range of organizations, including leading academic institutions, healthcare organizations, Fortune 500 companies, and medium-sized businesses.

In 2022, Medixsoft underwent a rebranding process and emerged as eKohi Technologies, following the successful development of a series of educational software solutions tailored to address the specific challenges faced by school districts and universities. This expertise positions eKohi as the preferred choice for clients seeking tangible results.

# MyPD

The MyPD module developed by eKohi Technologies is an all-inclusive event management software designed for districts' professional development needs. It offers several features and conveniences to facilitate effective planning and streamline the registration and access process for educators. Additionally, it provides district-specific reports and integrates with the eSkoolz Mobile App for attendance purposes. Here is an overview of the module's features

1. Event Management
2. Student System & HR System Integration
3. Mobile Integration / Attendance
4. Participant Management
5. Facility Management
6. Single-Sign-On (SSO)
7. Event Calendar
8. Waitlist Management
9. Template Branding
10. Compliance Tracking

The screenshot displays the MyPD event management interface. On the left is a dark purple sidebar with a navigation menu containing: Calendar, Courses, Participants, Attendance, Surveys, Certifications, Program Tracking, Dashboards, and Settings. A blue 'LOGOUT' button is at the bottom of the sidebar. The main content area features a legend for event types: On Line (red square), In-Person (blue square), and Hybrid (On Line/In-Person) (orange square). Below the legend are filters for 'Event Status' (New, Published, Completed, Cancelled) and three dropdown menus for 'Select Presenter', 'Select School Category', and 'Select Event Type'. A red 'Reset Calendar' button and a blue 'Search' button are also present. The main view is a calendar for 'DECEMBER 2023' showing a grid of days. On Monday, December 4th, two events are listed: '01:30 PM | Joshua Brown - G2 - 4SW' and '02:45 PM | Scott Garcia - G4 - 4SW', with a '+7 more' link below them.

# 1) Event Management

MyPD's event management feature provides a comprehensive solution for handling professional development events within the district. It streamlines the entire process, making it easier for administrators to plan and organize events while ensuring a seamless experience for participants. Here's some examples on how MyPD assists with event management:

- Event Registration
- Notifications and Reminders
- Customization and Configuration

### COURSE INFORMATION

## 2) Student System & HR System Integration

The Student System Integration feature in MyPD ensures seamless synchronization between the module and the district's Student Information and Human Resources systems. By integrating with these systems, MyPD keeps the information current and eliminates the need for manual data entry or duplicate records. Here's how the integration works:

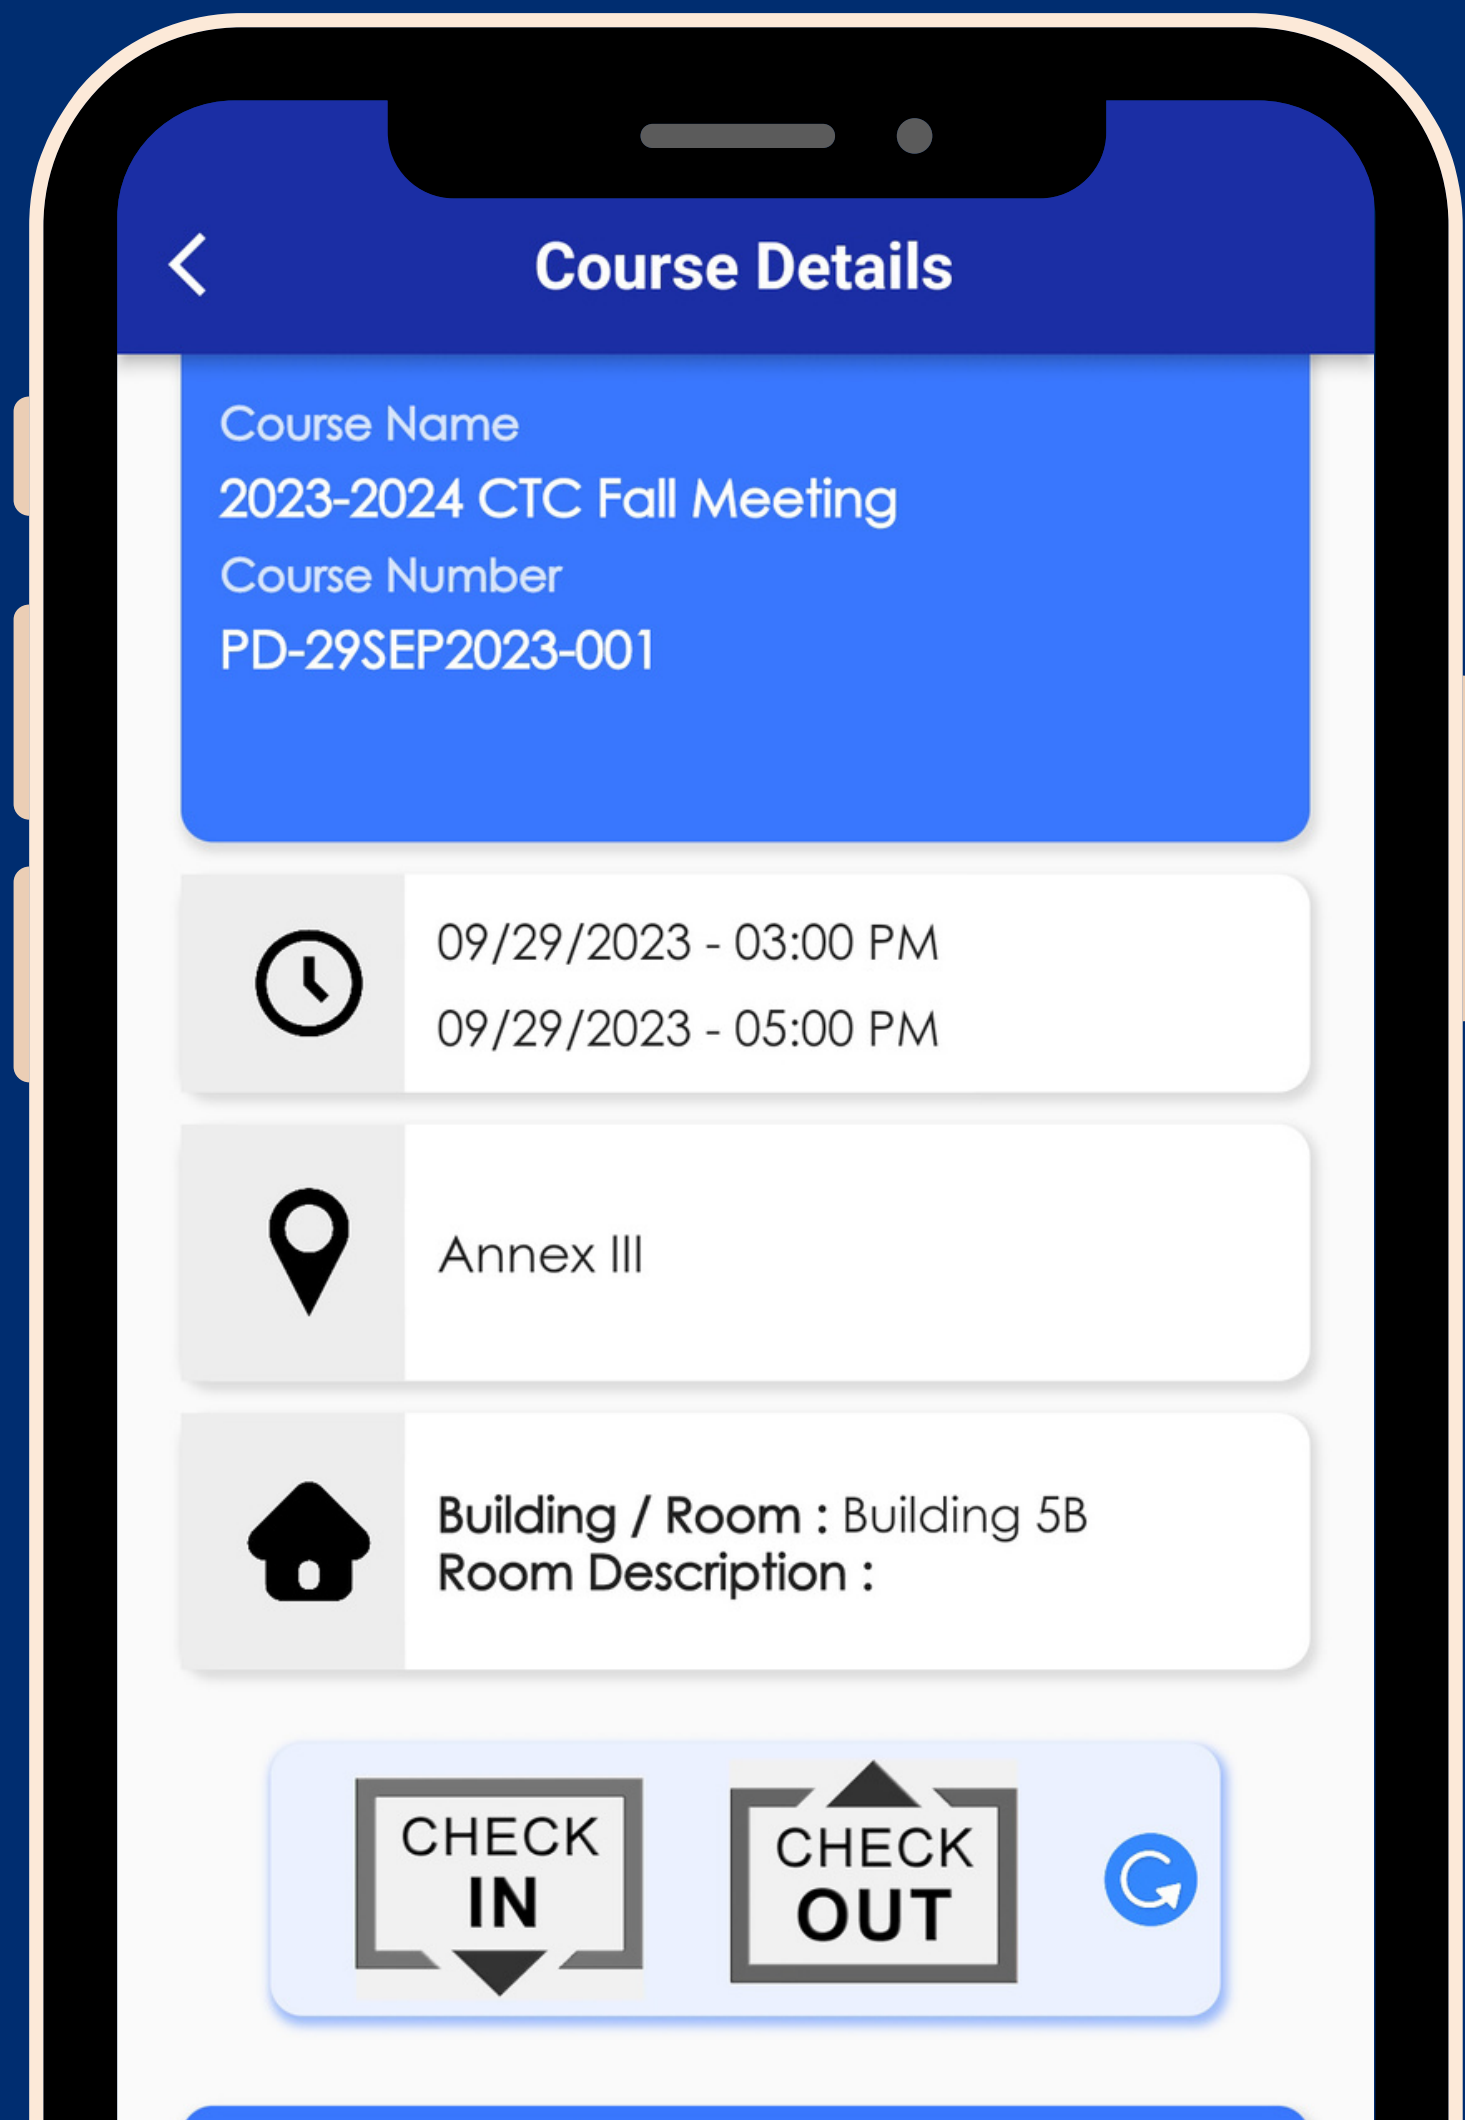

- **Daily Data Sync**
- **Student Information Sync**
- **Data Consistency**

### 3. Mobile Integration / Attendance

The Mobile Integration / Attendance feature in MyPD facilitates seamless attendance management through integration with eSkoolz's mobile platform. This integration enables remote check-in and check-out for participants using QR codes, ensuring accurate attendance tracking. Here's how this feature works:

- Integration with eSkoolz Mobile Platform
- QR Code Check-In/Check-Out
- Remote Attendance Tracking
- Real-Time Syncing
- Attendance Reporting

# 4) Participant Management

Participant Management is a key feature of MyPD, which enables efficient tracking and management of registered participants throughout the professional development process. Here's an overview of how MyPD handles participant management:

- Registration Tracking
- Registration Status Updates
- Credit Hours and Certification
- Attendance Management
- Participant Communication
- Surveys & Workshop Evaluations
- Participant Reports

The screenshot displays the MyPD Participant Management interface. On the left is a navigation sidebar with options: Calendar, Courses, Participants, Attendance, Surveys, Certifications, Program Tracking, Dashboards, and Settings, along with a LOGOUT button. # 5) Facility Management

Facility Management is a crucial feature of MyPD that helps districts efficiently manage the reservation and usage of meeting rooms for professional development events. Here's how the module handles facility management:

- Meeting Room Reservation
- Location Assignments
- Usage Reporting

The screenshot displays the 'Manage Presenter' interface. At the top, there is a search bar and a '+ Add Presenter' button. Below the search bar, a table lists presenters with columns for First Name, Middle Name, Last Name, Email Address, Phone, and Actions. The table contains 18 rows of data, including a 'Place' entry and 17 'Teacher' entries with unique last names and email addresses.

## 6) Single-Sign-On (SSO)

MyPD utilizes the district's authentication system, such as Active Directory or LDAP, for Single Sign-On. This means that educators and administrators can access MyPD using their existing district credentials without the need for separate login information.

The image shows a screenshot of the MyPD Planning Protocol Dashboard. At the top, there is a blue header with the text "PLANNING PROTOCOL DASHBOARD". Below this is an orange button labeled "Student Resource Access". The main content area features a large group photo of students and staff, with a "Teacher" label overlaid on the left. On the right side, there is a prominent white button with the Google logo and the text "Sign in with Google". At the bottom, there are five colored buttons representing different user roles: "Teacher" (brown), "Campus Administration" (green), "Family & Student" (red), "Curriculum & Instruction" (teal), and "Support Staff" (purple). Each button contains a white icon representing the role.

# 7) Event Calendar

The Event Calendar feature in MyPD provides a convenient and comprehensive view of upcoming professional development events. It offers various functionalities and integration capabilities to enhance event scheduling and planning. Here's an overview of the Event Calendar feature:

- Overview of Upcoming Events
- Dynamic Parameters
- Administrative View
- Integration with iCal
- Notifications and Reminders

The screenshot displays the MyPD Event Calendar interface. On the left is a navigation sidebar with options: Calendar, Courses, Participants, Attendance, Surveys, Certifications, Program Tracking, Dashboards, and Settings, along with a LOGOUT button. The main content area shows a calendar for August 2023. At the top, there are filters for Event Status (New, Published, Completed, Cancelled) and dropdown menus for Teacher (LN-10598), School Category, Event Type, and Course Number. A 'Reset Calendar' button and a 'Search' button are also present. The calendar grid shows events for each day, including 'G/T Foundations' sessions, 'Attendance Secretary & Back-up Meeting', 'Leadership Retreat', and 'CPI Training'. Each event listing includes a time slot and a status icon (e.g., a blue checkmark). '+4 more', '+54 more', '+56 more', and '+2 more' links are visible at the bottom of several event listings.

# 8) Waitlist Management

Waitlist Management is a valuable feature of MyPD that allows users to join a waiting list if their preferred workshop or event has reached its capacity. This feature ensures that participants have an opportunity to attend the event if spots become available due to cancellations or changes. Here's how the Waitlist Management feature works:

- Capacity Management
- Waitlist Option
- Waitlist Registration
- Automatic Notifications
- Time Limit for Response
- Registration Confirmation

The screenshot displays the MyPD Waitlist Management interface. At the top, course details are shown: Course # PD-02AUG2023-002, Course Name G/T FOUNDATIONS PART THREE: MODELS OF DIFFE, Course Type IN-PERSON, Status PUBLISHED, Class Size 100, and Waitlist Size 0. Location is Hector Elementary and Presenter(s) is Teacher LN-12029. A summary bar shows 11 Registered, 0 Cancelled, 0 Withdrew, 0 Waitlisted, 3 Survey, and 48 Certificate. Below this, there are sections for AVAILABLE PARTICIPANTS and CURRENT PARTICIPANTS, each with a search bar and a list of participants. The AVAILABLE PARTICIPANTS list shows 4 participants from Career & Instruction. The CURRENT PARTICIPANTS list shows 4 participants from Career & Instruction, Northwood High School, and Forest Meadow Elementary. An Available Seats box shows 38 seats. Action buttons for Export to Excel, Print, and Manage Attendance are visible.

## 9) Template Branding

MyPD offers template branding capabilities, allowing customization to reflect the School District's branding. This includes incorporating the district's color schemes and visual elements throughout the software. Consistent branding and design are maintained across devices, ensuring users can easily recognize and familiarize themselves with MyPD. Here's more information about these features:

- **Customization of Branding**
- **Visual Consistency**
- **Familiarity and Recognition**
- **Professional Appearance**
- **Enhanced User Experience**

The screenshot displays the MyPD interface with a school logo placeholder and the text "YOUR SCHOOL LOGO". The interface includes a navigation menu on the left with options like Calendar, Courses, Participants, Attendance, Surveys, Certifications, and Program Tracking. The main content area shows a calendar filter section with options for "On Line", "In-Person", and "Hybrid(On Line/In-Person)". Below this, there are filters for "Event Status" (New, Published, Completed, Cancelled) and search filters for "Teacher LN-10598", "Select School Category", and "Select Event Type". A "Reset Calendar" button and a "Search" button are also visible.

# 10) Compliance Tracking

MyPD includes features to assist School Districts in tracking mandated Texas Education Agency (TEA) continuing education credit hours for educators. The module enables efficient tracking of accreditation records and provides unified transcripts for educators to easily view their aggregate continuing education credit hours. Here's how MyPD handles compliance tracking and accreditation records:

- **Compliance Tracking**
- **Unified Transcripts**
- **Reporting and Compliance Checks**

The screenshot displays the MyPD web application interface for San Felipe del Rio Consolidated Independent School District. The interface includes a navigation menu on the left with options like Calendar, Courses, Participants, Attendance, Surveys, Certifications, Program Tracking, and Settings. The main content area shows an 'ADVANCED SEARCH' form with fields for School, Staff First Name, Staff Last Name, Staff Login, Email, and Role. Below the search fields are checkboxes for 'SPECIAL PROGRAMS' including HR, GT, Bilingual (Elementary), ESL (Secondary), Special ED, READ, and CTE. The 'READ' checkbox is checked. At the bottom of the search form are 'Reset' and 'Search' buttons. Below the search form are 'Print' and 'Export To Excel' buttons. The top of the page includes the school district logo, navigation links for Dashboard, Calendar, and Emergency Contacts, and a user profile dropdown.
